Moon Hall College 2 - 3 Canbury

Bowkett (11),

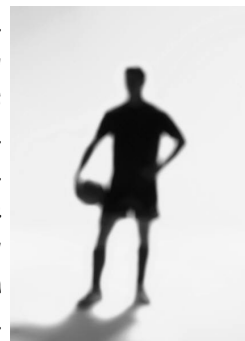

McMonagle (17)

Moon Hall College hosted the first game of the spring term under beautiful sunshine and it should have resulted in a comfortable victory. It was clear from the opening exchanges that Moon Hall College had the upper hand on their opponents. The pressure that Moon Hall College created soon paid off as the ball found itself at Nicholas Bowkett's feet inside the area and calm under pressure the ball was soon nestling in the back of the net. As the game progressed the home team looked the stronger especially with the strong back line of Billy Rademeyer, Tom McBrien, Ainsley Harriott-Gayle and shot stopper Sam Elliott. Canbury were struggling to contain the pace and skill of both skipper Freddie Leveson and Jamie Vidler, Moon Hall College were still searching for another goal and it came in the form of a fifteen yard strike from hard working midfielder Jake McMonagle. The home side were 2-0 up in the space of fifteen minutes! Unfortunately the concentration went missing for five minutes as the Canbury striker from the edge of the area let fly and even a full length finger tip save from Elliott could not prevent the ball from rolling over the line.

HALF TIME: Moon Hall College 2 - 1 Canbury

After constructive words from the manager to keep working hard for each other, Moon Hall College started the brighter once again with chances falling to both strikers, the hardworking William Banfield and Nicolas Bowkett. With so much possession and pressure coming from the home side, Canbury hit on the break only to create an opening that was confidently tucked away by the visiting striker. With this in mind Moon Hall College introduced the hard tackling defender Charles Harrop.

At 2-2 the game could have swung either way with the away side twice hitting the woodwork. Moon Hall College were also guilty of missing guilt edge chances with sub. Lewis Dover causing havoc in the opponents box, captain Freddie Leveson blazed over from ten yards. With the game coming to an end both teams were trying desperately to find the energy for one last push and with five minutes left on the clock the fatal blow came, a cross from Canbury's winger came in hard and low from the right and as McMonagle tried to intercept like he had been doing all game superbly, the ball somehow managed to creep inside the near post. As Canbury turned to celebrate Moon Hall College could only feel hard done by in a game which they dominated and worked tirelessly for each other, these must be taken as positives into the next game.

Boys changing room

The boys have settled in to their new changing room and are enjoying the extra space. We are endeavouring to keep the floor as clean as possible, it would be extremely helpful if your child has at least two plastic carrier bags, one to hang on their hook for outdoor shoes and the other one in their kit bag for football boots.

The Marks and Spencer blue jumper, age 11-12 years doesn't appear to have an owner. If it belongs to your child, please come into the office and claim it.
