## Dear Parents

This week has seen another milestone in the history of Moon Hall College. On Thursday, College 4 (year 10) sat their first Science GCSE module in the Music Room. Congratulations and thanks to Mrs Mulliner, Mrs Welton and Ben Mulliner who organised the examination arrangements. Our new exam tables were used for the first time and the entrance hall was out of bounds for the duration of the exam, with notices on every door. We were very impressed with the way the boys tackled the paper. They will get the results next year.

Please drive carefully when dropping off and picking up pupils. In the mornings there are staff on duty to welcome the children and parents should stop just long enough to drop them off safely. The children should come into the school by themselves now.

Similarly at the afternoon pick up it is helpful if parents can pick up the children without parking whenever possible. We are again looking at the parking arrangements for staff and parents and will see if we can improve them further.

On Thursday C1 went to see a performance of Skellig at the Yvonne Arnaud Theatre in Guildford. Although we enjoyed the performance the consensus amongst the pupils was 'the book is better'. Words all English Teachers like to hear. It was a very atmospheric adaptation that followed the book and used the dialogue but the 'magic' of the book was obviously not sufficiently portrayed for our very discerning group. It was a wonderful way of completing our study of the book and the production was excellent.
