

This is our first newsletter sent home via email. Should the email address I have used not be correct please let me know. Text reminders and messages are also going out to parents regularly. If you have not received a text from the school or it is going to the wrong person do let me know.

Hard copies of the newsletter will be left on the window sill inside the blue door each week.

As a school we are improving our communication to parents but can only achieve this if you let us know if you change your email or mobile phone number.

Please send your child into school with a luxury item to make up a hamper for the raffle for example: Biscuits, mixed nuts, coffee, tea, biscuits for cheese and thing that you feel would be suitable.

We would also like any of your unwanted gifts/toys to include in a tombola i.e. toiletries, jewellery, books, pictures, games/toys that your children have never used.

Do you have DVD's your children no longer watch, Nintendo/PC/PS3/Wii games that are pushed to the back of the cupboard. Please let us have them to re-sell at the fayre.

Pupils are permitted to wear home clothes in return for bringing any items from the above list.
